OTTAWA - OCT 14 1930

MEMORANDUM:

Request for Transfer of Dominion Land under Section 27 of the Soldier Settlement Act.

Re: J. G. Walsh,
N.W.¼ 22-24-9 W.4th M. (Hsd.)
N.E.¼ 22-24-9 W.4th M. (S.G.)

The above-described land was secured by this settler under homestead and soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in August, 1919, and in due course secured advances from the Board amounting to $2509.75, as follows: permanent improvements, $923.00; stock and equipment, $1544.50; special advances, $42.25. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security held by the Board in this case.

In January, 1927, the Field Supervisor reported that the settler had left his farm and was residing in Calgary. On the settler being interviewed, he stated that he did not intend to return to the farm and did not know nor care where the stock and equipment was. He expressed a willingness to execute a Quit Claim Deed at the time but subsequently called at the District Office and expressed a desire to hold on to the farm if at all possible. He was, however, unable to provide seed and feed or to make suitable arrangements for the operation of the farm. The farm was operated by the settler's brother during 1928 and 1929 but the settler afterwards decided to give up his holding and executed a Quit Claim Deed in favour of the Board on the 1st February, 1930.

The settler's indebtedness to the Board amounts to $2319.50. The valuation placed on the homestead and soldier grant as a unit was $1800.00. No arrangements have been made for the disposal of these lands and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the said land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead and soldier grant, the latter entry being formerly on the N.W.¼ 35-23-9 W.4th M.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O t t a w a .

Chairman.

and by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the powers and authorities conferred upon him by said section 27 hereby declares the right, title and interest of the settler in the said lands as well as right, title and interest of His Majesty therein except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

Sir,-

N.E.¼ 22-24-9 W. 4th M.

I beg to advise you that action will now be taken on the Declaration of Abandonment which you have executed, covering your pre-emption entry for the above described quarter-section, and the Agent of Dominion Lands at Calgary is being instructed, by a copy of this letter, to carry out cancellation of your entry in his records and to have the land inspected under recent instructions.

Should re-entry be granted for this land, the improvements which you state consist of a wire fence all around the quarter-section, also a cross fence and eighty acres of breaking, will be valued by a Homestead Inspector and the value thereof collected from the re-entrant. Before an application for refund of this amount can be accepted from you, it will be necessary for you to furnish the Department with a statement that the municipal and school taxes which were assessed against the land while you held same under entry have been paid.

As the privilege of pre-emption entry has now been withdrawn, you will not be able to obtain authority to secure a fresh pre-emption entry.

This man has not lived on this land for the last three years. The house was burnt down two years ago. There is a small granary 10 x 12; one half mile of two wire fencing on the south and one half mile on the west two wires and willow posts, in poor repair, not worth more than $30. This is a very poor quarter, all light sand, and I do not think this collection can be made. The land would not sell now for the loan. Cannot get this man's address.

The Agent,

Re-application for L.L. Chen,
Homestead patented.

Mr. Chen made application for patent for his pre-emption of the 31st March, 1913. The evidence furnished shows that the settlement duties have been completed satisfactorily. Mr. Chen has not made application for a Certificate of Recommendation and has not paid the purchase price.

Cancellation proceedings were commenced against the entry for non-payment on the 19th December, 1913.

Inspector Dickey while in collection work reported as follows on the 4th October, 1913,-

"This man has not lived on this land for "the past three years. The house was burnt "down years ago; there is a small granary "on it; 1 mile of two wire fencing on the "south, and 1 mile on the West, two wires and "willow posts, in poor repair, and not worth "more than $5. This is a very poor quarter, "All right semi.

"I sent at this man's address, and would "recommend that his entry be cancelled."

On the 6th instant Mr. Chen made application for an extension of time to pay the amount due on his pre-emption. The account of the settlement duties states that everything is ready and he intends to put 2 acres crop this coming season. He further states that he will be necessary on the place at the present time as his machinery is there and that he will endeavour to pay off the money the next year.

Kindly advise whether Mr. Chen may be allowed an extension of time to pay the amount for the quarter for his pre-emption. Mr. Irvine was the Department for Mr. Irvin. The indebtedness at the 31st March, 1915, is $[illegible].

I am in receipt of your letter of the 12th ultimo from which it would appear that you wish to have your pre-emption entry for the above land which was cancelled in December, 1924, restored.

According to our records there are no improvements on the land and you have not farmed same since about 1920, also you are indebted for advances of seed grain, etc., to an amount in excess of $650.00. It further appears that you did not at any time since securing your pre-emption entry in 1910 make any payment on account of the pre-emption itself.

Please advise the Agent of Dominion Lands at Calgary within thirty days what sum of money you are prepared to pay on account with a view to your reinstatement. This letter is not to be taken as an assurance that your entry will be restored, but if you will make a substantial payment on account of the land, say a sum equal to the interest charges on the principal amount of the purchase, your request for reinstatement will be submitted for consideration.

Re SW 17. 22. 13 W. 4

I beg to say the above land was formerly my Pre-Emption and this is all broken and has all been fenced and is now suitable for cropping and cultivation I do not wish this land for cropping purposes as is of no use for that. But what I want is the right to cultivate it in order to reduce the seed and cultivation against it which is my liability. There has been no crop harvested since 1916 although I have put in three crops since then and that is the reason of the seed grain lien. There was a good crop in that district last year and from present indications (I think) there is a good chance to get a crop this year and I respectfully request that permission be granted me to crop this land this year so as to reduce my liability

Cancelled pre-emption - M.L. Coen.

Mr. Coen completed the settlement duties and applied for pre-emption patent in March 1918. The entry was cancelled for nonpayment, 21st of November 1924.

Mr. Coen's seed grain indebtedness amounts to over $650.00.

He has made no payment in connection with the cancelled pre-emption entry.

In February 1928 Mr. Coen applied for reinstatement, and he was asked to report whether he would pay a sum equal to the interest charges on the principal amount of the pre-emption purchase if the entry were restored.

Mr. Coen wrote the Department, but failed to state what sum he was prepared to pay in connection with the pre-emption entry if reinstated, and was advised 5th May 1928 that it would strengthen his claim to a considerable extent if he were to satisfy the Department that he had a reasonable area of the pre-emption in crop with a view to raising funds to pay for the land.

Inspector Stickney reported in September 1928 that Mr. Coen is living on the purchased homestead, has had 110 acres of the homestead under crop and 100 acres of the pre-emption under crop this year. The pre-emption is fairly level worth $4.00 per acre. The Inspector recommends reinstatement.

Kindly advise whether the entry may be restored without requiring payment as a further measure of good faith.

Sir,-

S.E.¼ of Sec. 17 Tp. 28 Rge. 14 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Edward Lorne Bush, Esq.,
Wardlow,
Alberta.

Your obedient servant,

Commissioner.

P.S. It is noted from your letter that you do not see your way clear to paying for your pre-emption, the S.E. ¼-17--28--13-W.4th Meridian, your entry for which has been cancelled. The land is at present being reserved in your favour and if you do not wish to secure re-instatement, I am to ask you to write again to the Department immediately stating definitely that you cannot pay for the land and that you relinquish all claim thereto. Steps will then be taken to post the land for ordinary settlement so that any one else desiring to secure it will have an opportunity of obtaining entry therefor.

Mr. Owen's pre-emption entry for the latter mentioned parcel of land was cancelled for default in payments on the 21st November, 1924.

In this connection would you kindly refer to Mr. [illegible]'s memorandum of the 13th October, 1925, (carried) also prior notation thereon.

Mr. Owen was communicated with from this office on the 16th November, 1925, and advised that he would be allowed a period of thirty days from that date within which to advise the Agent at Calgary as to what payment he would undertake to make on the land with a view to having his entry restored; that should the Agent not hear from him within the time allowed, other disposition would be made of the land without further notice.

On the 21st December last the Agent forwarded here a letter from Mr. Owen in which he stated that he would be in Calgary soon to see the Agent about the land mentioned; that his crop was all frozen and had to take it for feed.

He was advised from this office on the 7th January, 1926, that he would be allowed a reasonable time within which to make a substantial payment on account.

Inspector of Dominion Lands Stickney reported in December, 1925, that the entrant was in residence (apparently on his homestead). In his general remarks he stated that there was no crop on this land in 1925; dwelling [illegible] crops in 1919, could [illegible] no cultivation.

On the following day, that is on the morning of the 1st October 1929

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 2nd Oct. 1929

By general public including civilians and returned soldiers.

Application for grazing leases cannot be made until the morning of the fourth day.

Any person who is desirous of making entry must visit the land personally before making his application and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to APPEAR PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ Grazing

Payment for Improvements

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the *full amount of the valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient fee has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land

The following indebtedness is charged against this land: $ 421.46 & Int. If the amount collected for improvements is insufficient to make up this indebtedness, the applicant for entry is required to pay or secure the full amount of indebtedness (for particulars enquire at office of Agent).

In reply to your letter of the 31st ultimo, I beg to say that this quarter-section was the pre-emption entry of Edward L. Coen, for which he made entry in 1910. It was cancelled on the 21st November, 1924, for default in payments in connection with the purchased price, and in connection with the Seed Grain indebtedness.

He was subsequently given the opportunity to make payment of his indebtedness, the land being reserved in the meantime with a view to his possible reinstatement. As, however, no payment was made, the quarter-section was posted for settlement on the 19th September, 1929.

The Head Office file for this land does not show that any further disposition was made thereof, prior to the transfer of the Natural Resources to the Province of Alberta.

Re: Account of E.L. Coen
S.E. 17-22-13-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $421.40 was advanced to E.L. Coen on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 421.40	$ 972.86	$ 1,394.26

The S.E. 17-22-13-W4 was formerly the preemption of the debtor whose entry was cancelled on the 3rd of December 1924 and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 7th of February 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land covered at present by a long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

S.W.¼ 17-22-13-W.4th M.,
Pre-emption of C.L. Coen,
Homestead patented.

Mr. Coen made application for patent for his pre-emption of the 30th March, 1918. The evidence furnished shows that the settlement duties have been completed satisfactorily. Mr. Coen has not made application for a Certificate of Recommendation and has not paid the purchase price.

Cancellation proceedings were commenced against the entry for nonpayment on the 29th November, 1923.

Inspector Cloakey while on collection work reported as follows on the 8th October, 1923,-

> "This man has not lived on this land for "the last three years. The house was burnt "down 2 years ago; there is a small granary "10X12; ½ mile of two wire fencing on the "south, and 1 mile on the West, two wires and "willow posts, in poor repair, and not worth "more than $20. This is a very poor quarter, "all light sand.
>
> "Cannot get this man's address, and would "recommend that his entry be cancelled."

On the 9th instant Mr. Coen made application for an extension of time to pay the amount due on his pre-emption. In support of his application he states that everything is ready and he intends to put 100 acres in crop this coming season. He further states that he has all his machinery on the place at the present time and that he will endeavour to pay off the money due next year.

Kindly advise whether Mr. Coen may be allowed an extension of time to pay the amount due the Department for his pre-emption. Mr. Coen owes the Department for Seed Grain. His indebtedness to the 31st March, 1923, is $340.00.

With the exception of payments a satisfactory application for patent was made on the 30th March, 1918.

In view of Inspector Cloakey's remarks of the 8th October, 1923, that the entrant had not lived on the land for the last three years and he was unable to procure the entrant's address, cancellation proceedings were instituted on the 29th November, 1923.

With interest to the 1st instant the standing of account was $727.73. The seed grain indebtedness to the 31st March, 1924, amounts to $569.55.

On the 9th January, 1924, the entrant filed a defence to the effect that he intended to put 100 acres in crop last season.

The case was submitted on the 19th January last and the entrant was allowed until the 1st instant to reduce his indebtedness.

Inspector Cloakey now reports under date of the 20th ultimo as follows:-

I am in receipt of your letter of the 12th ultimo from which it would appear that you wish to have your pre-emption entry for the above land which was cancelled in December, 1924, restored.

According to our records there are no improvements on the land and you have not farmed same since about 1920, also you are indebted for advances of seed grain, etc., to an amount in excess of $650.00. It further appears that you did not at any time since securing your pre-emption entry in 1910 make any payment on account of the pre-emption itself.

Please advise the Agent of Dominion Lands at Calgary within thirty days what sum of money you are prepared to pay on account with a view to your reinstatement. This letter is not to be taken as an assurance that your entry will be restored, but if you will make a substantial payment on account of the land, say a sum equal to the interest charges on the principal amount of the purchase, your request for reinstatement will be submitted for consideration.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

MEMORANDUM:

Mr. Perrin.

Homestead - Edward L. Coen,
Patented - 15th April, 1914.

S.W.¼ 17-22-13-W.4th M.
Cancelled pre-emption - Edward L. Coen.

Mr. Coen's pre-emption entry for the latter mentioned parcel of land was cancelled for default in payments on the 21st November, 1924.

In this connection would you kindly refer to Mr. Ryan's memorandum of the 19th October, 1928, (marked) also your notation thereon.

Mr. Coen was communicated with from this office on the 10th November, 1928, and advised that he would be allowed a period of thirty days from that date within which to advise the Agent at Calgary as to what payment he would undertake to make on the land with a view to having his entry restored; that should the Agent not hear from him within the time allowed, other disposition would be made of the land without further notice.

On the 21st December last the Agent forwarded here a letter from Mr. Coen in which he stated that he would be in Calgary soon to see the Agent about the land mentioned; that his crop was all frozen and had to take it for feed.

He was advised from this office on the 7th January, 1929, that he would be allowed a reasonable time within which to make a substantial payment on account.

Inspector of Dominion Lands Stickney reported in December, 1928, that the entrant was in residence (apparently on his homestead). In his general remarks he stated that there was no crop on this land in 1928; seeding 100 acres in 1929, could make no collection.

On the 31st May last a letter was sent to the entrant giving him authority to make a second homestead entry and a notation was made thereon advising him that his pre-emption entry for the S.W.¼ Sec. 17 had been cancelled and the land was

being....

being reserved in his favour, and that if he did not wish to secure reinstatement he was asked to again write the Department stating definitely that he could not pay for the land and that he relinquished all claim thereon; that steps would then be taken to post the land for ordinary settlement so that anyone else desiring to secure it would have an opportunity of obtaining entry therefor.

Nothing further has been heard from Mr. Coen.

The Agent now forwards here a further report from Inspector Stickney dated May, 1929, in which he states that Mr. Coen has 100 acres seeded to wheat on the quarter section.

General Remarks:

"With reference to your letter of April "11th, after interview with Coen, I am of the opinion "that he has no intention whatever of paying for this land, "but wishes to farm it as long as possible without "payment."

In view of the foregoing, please say if Mr. Coen is to be given any further time within which to pay for the land.

Dear Sir:

Re: S.E. 17-22-13-W4

This Department has an old account against the above noted land for advances of seed grain to Edward L. Coen in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Re: Account of E.L. Coen
S.W. 17-22-13-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $421.40 was advanced to E.L. Coen on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 421.40	$ 972.86	$ 1,394.26

The S.W. 17-22-13-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 3rd of December 1924 and is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 7th of February 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land covered at present by a long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

Re: [illegible] Murphy, D.L.S.,
S.S.B. Lieut.-Col. 8th M. - No.
S.S.B. Lieut.-Col. 8th M. - No.

The above named settler secured advances from the Board totalling $[illegible], the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Murphy, requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Murphy states that he has completed all duties in connection with his homestead and soldier grant and is also entitled to receive patent therefor were it not for the charge. This is confirmed by the letters from the Secretary of the Department to the settler under date, the 15th October last and the 4th December last, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, a certain Regulation was promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1917 (P.C.1301) which enables the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of this Regulation, the Board hereby requests that the right, title and interest of His Majesty in the S½ of [illegible] 8th M. be vested in the Soldier Settlement Board. An Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

The Seed Grain Branch report no incumbrance.

Mr. James E.S. Frith has written on behalf of the father of the late entrant in reference to the issue of patent.

There appears to me no reason why a patent should not now be prepared for the above quarter-section in the name of the deceased entrant.

THE DEPUTY MINISTER OF THE INTERIOR

26th November, 1919.

Memorandum:

E.½ 18-25-14 W.4th M.
W. H. Adair.

This entrant enlisted in September, 1914, and was taken prisoner in April, 1915. While in the German prison camps he took ill and according to the precis of medical history he has been undergoing treatment since being exchanged.

He was medically examined on the 29th January last when he had evidence of chronic bronchitis, and was also suffering from Neuritis and Asthma.

His condition is one that I think justifies the issue of patent to the homestead, also to the pre-emption upon payment of the purchase money.

Respectfully submitted,

Honourable Arthur Meighen, K.C., M.P.,
Minister of the Interior,
Ottawa.

OTTAWA, 4th October, 1928.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. William Sinclair,
S.W.¼ 21-34-20-W.4th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 18th December, 1922, the settler obtained advances from the Board totalling $3711.00, as follows: land purchase, $[illegible].00; stock and equipment, $268.00; permanent improvements, $[illegible].00; special advances, $[illegible].00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is title to the S.E.¼ [illegible]-20-W.4th M. which was purchased by the Board for the settler.

The Board is informed that the settler has completed the duties in connection with his soldier grant and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Acting Commissioner of Dominion Lands to the settler dated the 11th September, 1928.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C.1821, enable the Minister on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan to the Board.

The settler has requested that title to the land in question be issued to the Board. He is not residing on the property the farm having been leased on account of the settler's illhealth. However, he desires to have title issued as aforesaid in order that the land may be sold and the proceeds applied in reduction of his indebtedness to the Board.

Under the provisions of the regulations referred to the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 21-34-20-W.4th M. be vested in the Soldier Settlement Board.

MEMORANDUM.

Re fractional N.E. 32-58-19 W. 4th M. Lying South of River and comprising 39.6 acres bordered green on sketch. Vacant.

Situated about 2 miles from Clodford, Alberta.

Mr. M. Rosa, who obtained homestead entry in October 1911 for the part of the North West ¼ of Section 32, lying South of river, several times made application to have the above mentioned area added to his entry free of charge, and the Agent of Dominion Lands at Edmonton was requested to obtain a Homestead Inspector's report as to the advisability of disposing of the parcel either by sale or by addition to the applicant's Homestead.

The following report is now to hand:

"The applicant in this case lives with his father on S.W.¼ of Section and was absent on date of my visit to land. This fraction is river bank land, most of it being quite rough and is mostly covered with bush and small green timber and not fit for cultivation. The entrant for S.E.¼ has nearly a full quarter while applicant has a lesser area. I, therefore, know no reason why his request should not be granted, and, owing to rough nature of fraction and long distance from railroad, I consider a fair value at this date to be $3.00 per acre."

An addition in this case would mean a total Homestead area for the applicant of 146 acres.

The Homesteader filed a defence from which it would appear that up to date she had performed her settlement duties in a satisfactory manner but she had evidently not been informed that under the Act she was entitled to make such entry.

Re - Frank J. Bossman
S. E. 26
N. R. 11-13-16 W 4

Sir,

In the year 1913 Frank Substation Bossman obtained advances of Seed Grain $63.75 and Relief $15.00 on the security of the land above described, and after application of payment for $21.00 there is outstanding a balance on account of Principal of $62.50 with interest to date from 16th June, 1917.

In view of the fact that the new entrant, Andrew A. Anderson, obtained entry for these lands as Homestead and Pre-emption respectively, on 5th September 1916, he was not then required under the regulations then existing to assume the indebtedness of the former entrant.

The Department is therefore in the position of being without any security for the outstanding indebtedness, and would ask you to be good enough when you have an inspector in this district to have every possible effort made to locate the said Mr. Bossman.

Dear Sir:

Re: M.N. 21-26-16-W4

This Department has an old account against the above noted land for advances of seed grain and relief to F.E. Geesman in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

This land is unalienated crown land and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of F.S. Gossman
N.W. 21-26-16-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and relief amounting to $73.75 were advanced to F.S. Gossman on the security of the above mentioned land. A payment of $20.00 was received in 1917 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 62.05	$ 107.94	$ 169.99

The N.W. 21-26-16-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 3rd of April 1916 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 10th of June 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

Ottawa, 30th March, 1912.

Mr. Sure,

With reference to your memorandum of the 29th instant, in relation to the claim of Mr. F.W.Vanduser to River Lot numbered 3, Athabaska Landing, I beg to say that entry was granted in June, 1908, to Mr.Vanduser for this lot, as shown on the old plan of survey, improvements to the value of $700.00 being reported thereon. The Agent of Dominion Lands in December, 1909, was advised, in accordance with the then Minister's decision, to offer Mr.Vanduser one year's residence on any land he might acquire as a homestead, and to advise him that, in the event of the portion of the Lot on which his improvements were situated being disposed of, the amount realized therefor would be paid to him.

Mr.Vanduser, in Dec. 1910, made a statutory declaration before the late S. Woolley, D.L.S., dividing Lots 20 and 21, Block 1, in the Subdivision of River Lots 3 to 13 inclusive, such lots being clearly included in the numbered 3, old survey. By Order in Council bearing date the 4th October last, Mr.Vanduser was permitted to purchase the said Lots 20 and 21, Block 1, at a nominal price of $1.00 each but no report of inspection has been received in the Department.

Homestead inspector has been detailed to value the undisposed of lots in this subdivision, and on receipt of such report it is proposed to fix the price of the same by Order in Council and further consider the matter of their disposition.

I may add that, by the Order in Council of the 9th June, 1911, the sale [illegible] of efforts at [illegible] was authorized for establishing thereon a demonstration [illegible] of Lots 3 to 13 in Block 1, excepting an

[illegible] 4th April, [illegible].

Sir,

In reply to your further enquiry respecting the cancellation of Mr. [illegible]'s homestead entry for Lot 3, Section [illegible], I beg to refer you to the letter from the Agent of Dominion Lands at [illegible], dated the 13th October, 1909, on file 1-89304 herewith. It will be seen that Mr. [illegible]'s entry was cancelled because it had been granted in error, on the 7th June, 1907, inasmuch as it was [illegible] by the Department in 1903 that the land in this settlement was not suitable for agricultural purposes. This was based upon a report which had been made to the Department by the Surveyor General.

The only homestead left in this settlement which were disposed of under the instructions of the then Minister were Lots 1 and 2. The former was created forfeiture to and re-entered, owing to a report from the Dominion Surveyor to the effect that the claimant had been in continual residence on the lot since 1907, but Lot 2 was granted to a homesteader in [illegible] in 1907, on the ground that he occupied the land for a long period and had purchased the rights of the previous holder. An application for the cancellation of Mr. [illegible]'s entry on the ground of non-fulfilment of the homestead conditions is now under the consideration of the Commissioner of Dominion Lands, on file 2670701 herewith.

Memorandum:

Re disposition of Lots at East Heights Subdivision, being a subdivision of River Lots 2 to 13 East of Athabaska Landing and part of Section 24, Tp. 66, Rge. 22, W. 4th M.

The Agent of Dominion Lands at Edmonton was requested to obtain a Homestead Inspector's valuation of the Lots above referred to, in order that the price of the same might be fixed by Order in Council and the question of their disposal further considered.

Mr. Homestead Inspector Doze reports as follows:

"As this property lies along the river bluff which "in places is very steep and broken and in other places has "deep coulees, if each lot were to be considered separately, "they would vary greatly as to value and some would appear to "be worthless; however, in blocks I would place the following "valuation per lot:

In blocks	1, 2 and 3	$50.00	per lot.
" "	4 and 5	30.00	" "
" "	6, 7, 8, 9 and 10	40.00	" "
" "	11 and 12	$20.00	" "
" block	13	15.00	" "
" "	14	10.00	" "

I beg to recommend that a Memorandum to Council be prepared recommending that the price of the Lots in question be fixed in accordance with the Homestead Inspector's report and that, upon an Order in Council being obtained and becoming operative, the manner of the disposition of the Lots, for some of which there are applications before the Department, be considered.

Ottawa, Ontario,
10th February, 1913.

My dear Sir,-

The Prime Minister has referred here your letter of the 23rd ultimo in reference to your claim to River Lot #3 at Athabasca Landing. I find that in 1898 it was decided by the Department that as none of the lots in this Settlement were agricultural, to limit holdings on the river front to parcels of two by four chains, and then occupants of such parcels to be permitted to purchase the same at the rate of $3.00 per acre.

On the 2nd June, 1909, homestead entry was granted to you in error for Lot #3, but on the 13th October, in the same year, you were advised by the Agent at Edmonton that as your entry was granted in error, the same had been cancelled and that a refund of your entry fee and improvements would be made.

In December, 1909, the Agent at Edmonton was requested to advise you that you would be allowed one year's residence duties on any other land you might acquire as a homestead, and this offer still holds good.

It appears that your entry fee was duly refunded, but the letter forwarding same was returned here through the Dead Letter Office. The amount is here awaiting your order.

In May, 1910, you made a statutory declaration before the Surveyor, claiming Lots 20 and 21 in Block 1, and stating certain improvements thereon. By Order-in-Council 5th October, 1911, you were permitted to purchase

L. L. Vanbuskirk, Esq.,
Athabasca Landing,
Alberta.

purchase Lots 20 and 21 at $5.00 each. In February, 1914, your solicitors were advised that this sale might be carried out and were asked whether you desired the $10.00 entry fee to be applied on account of the sale. As no reply has been received, the patent has not been issued.

I may say that your claim appears to have received every consideration possible, and as the portion of Lot 3 lying on the opposite side of the road allowance from Lots 20 and 21 has been otherwise disposed of, it would not be possible to entertain any claim on your part thereto.

It might, however, be possible to permit you to purchase some additional lots in the sub-division along the river front, providing there are any remaining available. If you wish to make any application of this kind, you could do so through the Agent at Edmonton and the matter will have consideration.

Yours sincerely,

Sgd. W.J. Roche.

"I may say that you claim [illegible] to have given every consideration possible, and to the portion of Lot 3 lying on the opposite side of the road allowance from Lot 2, which has been otherwise disposed of,it would not be possible to entertain any claim on your part thereto.

I beg to submit for consideration and decision the application above referred to. If the lands applied for Lots numbered 9 to 17 are available, Lots numbered 3 to 8, together with Lots numbered 1 and 2, shown on the plans attached hereto, have been applied for by Mr. T. D. Watson of Athabasca Landing and, in accordance with the decision arrived at, a memorandum to Council was recently prepared recommending that said Lots be sold to Mr. Watson at a nominal price of $5.00 each. This memorandum to Council (which is attached to file 2075697 herewith) was not signed but the acting Minister referred thereon "No action at present."

The Assistant Inspector in April, 1913, valued the Lots in Block 1 at $50.00 each. No decision has yet been arrived at in regard to the disposition of these Lots.

Lots 6,7,8 and 9, 18 survey: Claims of A.T.and Walter Tilburn respectively. Messrs. Tilburn were advised in August last that the Surveyor General was calling for a special report,respecting the improvements claimed by them and that when the subdivision of the lots was issued,the question of the disposition of same would be further considered.

Lot 12,C14 survey: Formerly claimed by Isidore Tecoine. In October,1907 and August 1908. The Honourable Mr.Cross wrote concerning this claim. The Homestead Inspector reported no one in residence,the house burned and Mr.Tecoine gone north seven or eight years ago. The rent, in accordance with your decision,as endorsed on my memorandum of the 11th September,1909, (marked) asked Mr.Tecoine in April,1909,if he had obtained homestead entry for any other land. Apparently no reply has been received and it would appear that the claim need no longer be considered.

Memorandum:

Re River Lots West of Whitemouth Landing.

The Minister's decision (marked) was that the above were to be surveyed into acre lots for sale. The plan of the subdivision in pocket hereunder (marked) is now issued and I beg to enquire under what terms and conditions it is proposed to dispose of the lots. It would appear that, in any event, an Order in Council will be required.

In connection with the above, I beg to call your attention to the following claims:-

Lot No.7 Ali survey: Entry granted in June, 1909, in error to F.E.Vandusen. The Sub-Agent reported improvements to the value of $800.00. The Agent of Dominion Lands in December, 1909, was advised in accordance with the Minister's decision, to offer Mr.Vandusen one year's residence on any land he might acquire as a homestead and to advise him that, in the event of the portion of the lot on which his improvements are situated, being disposed of, the amount realised for such improvements would be paid to him. Mr.Vandusen in May last made a statutory declaration before the late W.J.Selby, D.L.S. claiming Lots 10 and 11, Block 1 in the subdivision, which lots were formerly included in Lot 7 (File 413877 herewith).

Lots 1, 2, 14 & 15, Block 2. Herbert Paquette filed a squatter's declaration before the surveyor (File 413871, herewith).

Lots 1, 2, 19 & 20, Block 2. C.F.Parry made a squatter's declaration before the surveyor (File 413889 herewith)

Memorandum:

Re Disposition of Lots at West Heights Subdivision, being a subdivision of River Lots 3 to 17 West of Athabaska Landing and part of Section 34, Tp. 66, Rge. 23, W. 4th M.

The Agent of Dominion Lands at Edmonton was requested to obtain a Homestead Inspector's valuation of the Lots above referred to, in order that the price of the same might be fixed by Order in Council and the question of the disposal further considered.

Mr. Homestead Inspector Doze reports as follows:

"As this property lies along the river bluff which "in places is very steep and broken and in other places has "deep coulees, if each lot were to be considered separately, "they would vary greatly as to value and some would appear "to be worthless; However, in blocks I would place the following "valuation per lot:

"	In blocks	1,2 and 3.....	$10.00 per lot.
"	" "	4 and 5.....	20.00 " "
"	" "	6,7,8,9 and 10.....	40.00 " "
"	" "	16 and 17.....	30.00 " "
"	" block	13.....	15.00 " "
"	" "	14.....	10.00 " "

I beg to recommend that a Memorandum to Council be prepared recommending that the price of the Lots in question be fixed in accordance with the Homestead Inspector's report and that, upon an Order in Council being obtained and becoming operative, the manner of the disposition of the Lots, for some of which there are applications before the Department, be considered.

Respectfully submitted,

Chief of Branch.

This grant is made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish or Bulgarian subject or other alien enemy wherever resident, or to anyone on his behalf, or to or on behalf of any person resident in Germany, Austria-Hungary, Turkey or Bulgaria, or other enemy country of whatever nationality without the express sanction of the Crown acting through the Treasury, and if any distribution or payment is made contrary to this condition the Grant of Probate or Letters of Administration will be forthwith revoked.

Judge District Court.

A statement from the Seed Grain Branch reveals the fact that there is indebtedness charged against the land to the extent of $71.21 and interest.

A certified copy of Letters of Administration of the late patentee's estate has been filed in the Department, administration having been granted to Arthur [illegible] Crossing of the City of Edmonton, Official Guardian for the province of Alberta.

Identity of this soldier appears to be established by the certificate of enlistment as filed by the grant, and letter of the 3rd January, 1924, from the Militia Department giving his Regimental Number, rank, battalion and [illegible].

Any surveys price of the said land has not as yet been completed.

It would appear that upon payment of the purchase price of this quarter-section that action could be taken to issue Letters Patent forthwith in the name of the administrator subject to the indebtedness to the Crown referred to herein.

2144[illegible]

July 17,1[illegible].

[illegible] Sir,

In your letter of July [illegible]th, your file No. 3[illegible]41, you asked for further information regarding the entries for the [illegible] of Sec.1[illegible], Tp.2[illegible], Rge.4, West 4th M., Mr.[illegible]szust.

When applying for entry for the land on September 2nd,1911, this man stated that he was single, born in Galicia, Germany, and was a citizen of the U.S.A. He had been living in North Dakota, the town mentioned appears to be Wilton. In a statement dated March 3rd,1913, he stated that he had a wife and one child and had been living on his mother's land, Sec.13-30-3-[illegible].4th M. While absent from his home stead he had been working at the carpenter trade in Saskatoon. He stated that, besides farming, he drilled wells. His father was killed by a cyclone about July 1st,1913, and his mother badly injured. That was given as the reason for living with his mother instead of on his homestead. In another statement dated in April 1913, he stated that he was 33 years of age and mentioned having been laid up with a broken rib and his wife having been ill in hospital (Mrs. Arnold's Hospital) in Saskatoon. Application for homestead patent for the North West quarter section was dated January 8th,1918, and in support of the application a certificate of naturalization dated March 27th, 1914, was furnished. The certificate was returned on March 26th,1918, to Oyen, Alberta.

In 1920 the homestead inspector reported that Mr.Oszust was working for the Canadian Pacific Railway at Brooks and did not intend to finish the duties necessary to obtain patent for the preemption, the South West quarter, and this quarter section was cancelled on October 18th.,1921.

It is noticed that Mr.Oszust sometimes signed his name "T.C.Oszust". I have no information regarding the place of naturalization.

I trust that this information may be of assistance.

Yours very truly,

Dear Sir:-

N.W. 16-29-4-W-4th Mer, Homestead,
S.W. 16-29-4-W-4th Mer, Pre-emption.

I have a copy of your letter of the 17th April, which was addressed to J.E. Duggan, Registrar, Department of Citizenship and Immigration, Registration Branch, Ottawa, relative to your enquiry as to one Eugene Oszust, who was naturalized at Calgary on the 27th March, 1914.

Our records indicate that one Eugene Oszust applied for homestead and Pre-emption entries on the 26th August, 1911, for the above mentioned lands. In his applications he stated that he was single, Country of birth, Germany, Subdivision of Country of birth, Galacia and last place of residence Wilton, North Dakota.

In a sworn statement dated the 3rd March, 1913, in support homestead entry he stated that he had a wife and one child and that been living with his parents in the neighboring district on Section 4-4th Meridian, at Fairacres, Alberta and that he had been working carpenter at Saskatoon, Saskatchewan. He also stated that his other son was well driller. The foregoing evidence was submitted in of his absence from his homestead.

On the 11th April, 1913, he forwarded another sworn statement in support of his absence from his farm wherein he stated that his father had been killed by a cyclone in July 1912, his mother was injured and his wife was a patient in Mrs. Arnold's Hospital at Saskatoon, attested his presence at his Parents' home to look after the management of the farm.

In his sworn statement dated the 8th January, 1916, in support of his application for Patent for his homestead, which was issued on his name, Eugene Ozsust on the 17th April, 1918, he gave his age as 24 years and stated that his family consisted of hos wife and two children.

Letters Patent for his Pre-emption entry S.W. 16-29-4-W-4th Meridian, were never granted as the said entry was cancelled on the 7th October, 1921.

I regret to inform you that we cannot be of any assistance as to the date of his admission into Canada, nor any information, relative to his wife's name, date of marriage, or names, dates, and places of birth of the children.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Kindly arrange for payment, which may be made to the Dominion Lands Agent at or any Sub-Agent of Dominion Lands in the District. When payment is made by cheque, such cheque must be first accepted by the Bank and made payable at par to the Agent of Dominion Lands. In this connection the Chartered Banks have agreed to issue drafts forwarding these remittances free of exchange.

Postmasters at Money Order Offices will also accept and forward to the Agent of Dominion Lands any remittances tendered on account of Seed Grain or Relief indebtedness, and in such cases the Department will pay the commission on the Money Order, the war tax and the exchange. You get credit for the full amount remitted the Postmaster.

Elevator or Grain Companies or their agents are no longer authorized to accept Government collections.

If you do not understand the account or think that any mistake has been made please notify the Agent of Dominion Lands giving full particulars and stating clearly the number of the land upon which you are charged by Section, Township and Range.

The Government considers it necessary repayment of the indebtedness of this money at as early a date as possible.

1915 indebtedness as among these three quarter sections.

In concluding, I might say that it will be noted from letter of Mr. Kelly (who is evidently Affleck's agent) that he frankly admits that there was no written agreement between Mr. Affleck and Mrs. Staples from whom the land was later acquired By Messrs. Smoke & Smoke. On the basis of this alleged agreement Mr. Kelly contends this land should be held for the total indebtedness, and in view of the facts, it is a question if there is any legal grounds for such a position.

"I understand that Mrs. Staples has disposed of her interests in the land to a firm of solicitors, Messrs. Smoke & Smoke of Paris, Ont. and that they are endeavouring to have the Dept. of Interior release the lien or at least part of the seed grain liens and to this of course objects and feels that the agreement has been made with the parties when he consented to the vesting of the land and should be carried out, and it simply means that if a portion of your claim is released from the S. E. 3, it will be charged against Affleck and Affleck will have to make payment.

"I trust that such a thing will not be done. I understand that Messrs. Smoke & Smoke will pay the Government's claim to withdraw the liens or a part thereof.

This matter was then taken up with Messrs. Smoke & Smoke. The present owners of the S. E. 3, and in their letter of last March they in part state that they have received no benefit from the moneys advanced to Affleck and they do not see why they should be burdened with the payment of these liens. The writer states that - no doubt - some of the grain purchased with the moneys advanced under these liens was used on these other properties, and as a matter of fact point out that when the writer (one of the firm) was in the west, at least one man to whom he spoke intimated that Affleck had procured seed grain, and turned around and sold the seed grain and pocketed the money, and that no doubt Affleck will try to load all these liens on their property.

They contend that these liens should be distributed over all the properties given as security for the liens.

In view of the fact that S. E. 3-3-4 - 4, the unpatented land, was given as security for a seed grain lien of $450.00 in 1919, it would, therefore, seem that in consideration of an apportionment, this land should be left out of the question, as it must be the sole security for this additional advance.

On reviewing our other security, the S. E. 3-3-4 and S. W. 3-3[illegible] - 4, an equitable apportionment would seem to be an equal division of the outstanding

"The S. E. 5-31-4-4 was Mr. [illegible] Affleck's hea. He had a mortage on it - was to be foreclosed to save further expense - he transferred it to Mrs. Mr. Staples, Princeton, Ont, who had the mortage on it - there was 140 acres in crop this year - 100 wheat - 40 oats - Mr. Nick Hague put it in on shares for Mrs. Staples - it's threshed & Mr. Hague is moveing his share of crop to elevator at once - crop only light - wouldnt pay to get after by seizure.
"S. E. 4-31-4 was Mr. [illegible] Affleck's land. It stands in the name of W. J. Affleck, another brother, its a very bad mix up the only chance I see unless you sell the land is to get after Mrs. Mr. Staples, Princeton, for S. E. 5.

Under date of 31st August last Mr. Buttle wrote, stating that Mr. Affleck had informed him that Mrs. Staples had agreed to assume all Seed Grain indebtedness incurred in 1915 by him. In return for this Affleck consented to a Vesting Order, vesting title to S. E. 5-31-4 W 4 in the name of Mrs. Staples, and that he, Mr. Buttle, had always held that the S. E. 5 should pay this indebtedness, while Messrs. Duncan, Stewart & Co., Barristers, of Calgary, are trying to have it apportioned among the four or five quarter sections.

At this time Mr. Buttle also attached copy of a communication he had received from Mr. John J. Kelly, Barrister, of Cyen, also copy of his, Mr. Buttle's letter to Messrs. Duncan Stewart & Co. of 24th August. Kelly's letter is of particular interest, and the following is the contents of the same:

"I have received a letter from W. J. Affleck, of Smithers, B. C., enclosing your letter of the 19th Aug. and he has requested me to take the matter up with you and I might say, that in reality, there was no written agreement between Mr. Affleck and Mr. Staples. Mrs. Staples held a mortgage from Affleck against the S. E. 5 and began foreclosure proceedings thereunder, and in order to effect a settlement Affleck consented to a vesting order vesting the title of the land in the name of Mrs. Staples. She agreeing to assume the encumbrances which took priority over her mortgage which included seed grain liens and taxes.

Re - [illegible] Affleck
S. E. 5-31-4 - 4

Mr. [illegible] Affleck obtained advances in 1915 of seed grain $334.15, fodder $224.60 and relief $116.00, giving as security S. E. 5-31-4 - 4, S. W. 4 and S. E. 5-31-4 - 4, and the land above described, against which a payment of $273.75 has been made, leaving a balance of $72.50 fodder indebtedness and the seed grain lien for $334.15.

Mr. Affleck obtained patent for his patented homestead, S. E. 5-31-4 - 3 in 1913, and from abstract of title dated 6th November, it will be noted that the liens in question are duly registered.

He also obtained patents for S. E. 4 and S. E. 5-31-4- 4 as above. Affleck's scrip in June, 1915 to which only the seed grain lien for $334.15 was attached. It will be noted from abstract dated 8th November last that the S. E. 4 now stands in the name of Affie Ina Affleck, and all liens are duly covered by registrations.

Mr. Affleck's purchased homestead, S. E. 5-30-4 - 4 is still unpatented.

Collector [illegible] Woodlock's report in connection with these lands may be of interest, reading as follows:

"S. E. 4-31-4 - [illegible] Affleck - was sold to Mrs. Affie Ina Affleck, wife of [illegible] Affleck fall 1916. He sold to Joseph Moren, R. C. Seal, crop payments. S. No other improvements. [illegible] 4-31-4 - [illegible] Affleck sold a sale this last spring. Sir:-

Adverting to your letter of the 15th inst. in reference to the claim of Messrs. Johnson Bros. for a threshing bill, I beg to advise you that this matter was referred to the Department of Justice, and the Deputy Minister has now it under consideration.

Before dealing with your letter of the 15th inst. relating to the question as to whether the threshing bill, in respect of grain seized by the Sheriff and sold in connection with last crop relief advances by your Department in connection with the above lands, should be allowed or not, I have the honour to state that it appears from your letter that the Sheriff has in his hands sufficient to the credit of the estate now if this be so he should make his return and remit the amount to your Department and it would then be a matter for your Department to determine whether the threshing bill should be paid. The Sheriff has no right to retain the amount for any other claims.

You will (no doubt) advise the Sheriff accordingly.

Re - W. T. Affleck
S. W. 3-21-4 W 4

With reference to Messrs. Duncan Stuart & Company's letter immediately hereunder, the following extract from their letter seems of particular interest:

"The seed grain was not by Affleck who then owned them all, and the law makes them all liable. We therefore have to give you notice as we now do, that if the seed grain liens are released as against the other properties above mentioned, without a proportionate part being released as against our client's land, our clients will begin an action to compel the Government to release their land upon payment of the proper proportion. The position our clients take is this, that as long as Affleck the person who received the benefit of the seed grain, remained the owner of five quarter sections, the Government could release any part they saw fit upon his request or even without it, but since the lands burdened with the liens have passed into the hands of separate owners it is no longer competent for the Government arbitrarily to release some portions and hold the total amount against one portion. We think that upon reflection you will agree with this view of the matter and we should be glad if you would write us on this point as well as the others."

This aspect of the case, however, has been fully covered in my memorandum of 15th instant.

Dear Sirs:-

Referring to your communication of July 22nd, re S.W. 4-31-4 - West of the 4th, your reference Nos. 2148754, 2148756 and 2150096 and 2136125. The interests of the Liquidators became registered under this property by reason of a Mr. A. G. Holmes of Alsask, assigning his interests therein, for monies owing the bank. It would appear that one A. G. Affleck owed money to Holmes in connection with the S.W.4-31-4 West 4th, and said Holmes transferred this along with other securities. We were not aware that there were any seed grain liens which would take precedence over our claims against this land, but in any event, we have not assumed any obligations in this matter, and so far as we can see, your Department must look to the land itself for realization of the amount of your claim in connection with it, or to the parties to whom they granted relief, on which these claims are based. Our Western correspondents are endeavoring to sell the land, but so far we have no report of their being able to do so.

Yours very truly,

Dear Sir,

Your letter received to-day in regards to this quated of land. I might say it is my misfortune. that this loan was registered against it. for by agreement. I became owner of this land before my brother Archie Aflleck received the loan. and I think you know. that I never received any of the loan. but as the land stood in Archie Flecks Name at the time. it was registered against it.

As I understand it. the loan is also registered against the S½ 4. 31. 4. 4. W. S½ 5. 31. 4. 4. W. S½ 6. 31. 4. 4. W. the last named quater. which is a homestead. and if it is this will have to be clear up. Hoping something can be arranged soon as Im anxious to have my affairs clear. Yours Truly Albert Aflleck.

I am in receipt of your letter of 10th instant, and would advise you that the Department's lien against this land is a prior charge to other indebtedness, being attached to Patent for the land when the same issued.

In view of the fact that you are endeavouring to make a sale of this land, the matter may therefore in the meantime remain in abeyance pending sale.

Sir:

I am in receipt of your letter of 10th instant and would advise you that it is inconceivable that you could have been owner of this land before A. T. Affleck incurred the indebtedness in question, as Patent for the same was not forwarded until 18th June, 1915, in the name of Archibald T. Affleck, our lien at that time being attached to Patent, and is therefore a prior charge to all other indebtedness.

However, if any agreement was entered into between you and your brother for transfer of this land Patent issued, the Department cannot accept any responsibility for your having done so, and I would request that you make arrangements for early repayment of this indebtedness, advising me to this effect by return mail.

This man is farming a farm near Biggar (two miles) and I believe only fairly well, I find that he has no land in this district, and that he only rents his stock, but he has a residence.

Lot 1 & 2, Block 24, in the Town of Biggar, on this there is a house worth possibly $1100.00

I did not see this one as I thought possibly I had better give you this information first so that if you desire to take steps to get this home as security you would do so first, and I to appraise it at about this he might get rid of it and spend it on land he owns in any real estate.

With reference to your letter of the 5th inst. as to owner of the various lands involved in this case, I might state that the position relating to each land is as follows:

The S.E. 5-30-4-4. 4th M., the former entered purchased homestead of N.E. O'Fleck, is apparently the property of Mr. O'Fleck's address given by his brother in correspondence, is S.E.No. 2, Excel, Alberta.

The S.W. 3-31-4-4. 4th M., is to the best of my knowledge from Abstract of Title dated the 6th November, 1911, held by Osborne, Cooke & Cooke of Barrie, Ontario.

The S.E. 4-31-4-4. 4th M., was transferred to the Home Bank of Canada in liquidation, according to Abstract of Title dated the 16th June, 1911, and Osborne, Clarkson & Nelson, the provisional liquidators, were communicated with on this matter. They then intimated on the 14th August last they were endeavouring to sell the land.

The N.E. 5-31-4-4. 4th M., according to Abstract of Title dated the 6th June, 1911, was transferred to N.E. O'Fleck, who holds title to the land.

Messrs. Smoke and Smoke, Barristers, Paris, Ontario, writing under date of the 13th November, 1926, made representations as follows:-

"We are in receipt of your letter of "9th instant, reminding us of the alleged seed grain in- "debtedness in favor of the Department registered against "the above land. This seed grain lien covers other pro- "perties than our own, and should be apportioned accordingly. "Some years ago we, or our agents, were endeavoring to get "an adjustment made, but with no effective result.

"We got no benefit whatever from this "seed grain, but acquired title through a previous mortgage "which was foreclosed. The legislation under which these "liens were created is confiscatory legislation, but with "that, we presume, you have nothing to do. Surely, though, "we are entitled to take the position that our land should "only be held liable for its proper proportion of this Seed "Grain indebtedness, and if you will make an adjustment on "a fair basis, the matter of payment will be looked after."

They were advised that at that time the Department had no authority under which an adjustment might be made, but that it was anticipated that legislation would be brought forward at the next session of parliament whereby adjustments could be made.

On the 16th February, 1926, Archie T. Affleck, 1000½ State St., Bellingham, Wash., U.S.A., wrote as follows:-

"I was from in Ont. & I went to Alta. "the spring of 1910 & took a homestead the S.E. of Sec.8. "T.31. R.4 W.4th M. & I had the N.E. of 4 & N.W. 5. T.31 "R.4 W.4th for Script also the S.E.8 T.30 R.4 W.4th for a "purchase homestead. Well I went broke & lost everything "& had to leave the spring of 1920. I owe the Government "a lot for seed grain & at the time I left no matter where "I bought land or town property this grain would come against "it. What I would like to know has that been change if I "can come back to Alta. I buy a place without that seed grain "coming against it. I have made a little money & would "like to go back to Alta. this spring I got a farm but I "would to to another part. Will you please let me know by "return mail."

Mr. Affleck was advised that consider- ation was about to be given to representations made by interested parties in the land which he formerly owned, for the apportionment and adjustment of the seed grain indebtedness, which might result in a partial, if not total liquidation of the indebtedness.

The case is, therefore, submitted for apportionment and adjustment of the seed grain indebtedness.

I beg to refer you to letters hereunder from Messrs. Smoke & Smoke, Barristers, Paris, Ontario, and Mr. Archie T. A statement in triplicate is attached, also the form required by the Director of the Debt Adjustment Act.

Respectfully submitted,

and in connection with -

No.2. The title to the land now stands in the name of Municipal District of Golden Centre, Vol 272, who, when they sell the land, will apply for adjustment.

and in connection with -

No.3. Title to this property is now in the name of Allan Robert Affleck, who disclaims all liability for the liens and desires that the indebtedness be paid by his brother Archibald T.Affleck, the original debtor.

Also that Archibald T.Affleck, the debtor, has applied for an adjustment of the indebtedness in so far as his own personal covenant is concerned.

The Committee, therefore, recommends that the Liens remain in their entirety against those parcels until such time as the applications now pending have been investigated, and further recommendations will be made in connection therewith. I would, however, suggest that they be advised of the new entry of the debtor in the Peace River District as it will no doubt materially effect their consideration.

I would also suggest the preparation of a Memorandum to Council requesting authority to release the S.W. 3-31-4-West 4th Meridian from the Dominion Liens now registered.

S.W.30-76-6-W6M.

This case has received the investigation and recommendation of the Adjustment Board of Alberta. The indebtedness consists of advances made by this Department to A.T.Affleck in 1915 in the extent of Seed Grain $534.15 and Fodder $340.50, also Seed Grain in 1919 in the extent of $450.00 on which the total amount due as on March 31st, 1928, was $1,515.72 secured by the registration of liens covering the 1915 advances against title to the S.W. 3-31-4-West 4th Meridian, the S.W. 4-31-3- est 4th Meridian and the S.E. 5-31-4-West 4th Meridian, also as a charge against his cancelled pre-emption the S.W. 5-34-4-West 4th Meridian, and now as a charge against the S.W. 30-76-6-West 6th Meridian to which he obtained entry as a second homestead on the 4th ultimo.

The 1919 advance is secured only as a charge against his cancelled purchased homestead entry the S.W. 5-30-4-West 4th Meridian, and as a charge against the debtor's new entry on the South-West 30-76 above described.

It is represented that [illegible] Barristers, of Paris, Ontario, hold a mortgage registered against the S.W. 3-31-4-West 4th Meridian in December 1913, on which they foreclosed and took title in 1921, and on which the actual capital expenditure outstanding is $2,246.62, in addition to which there are charges by way of interest, etc., approximating $1500.00. The sale price of this quarter has been established through valuation at $600.00, and the Committee, therefore, recommends that in view of the loss being sustained by the first mortgagees, the Dominion liens be unconditionally released from title.

In regard to the

2. S.W. 4-31-4-W4th.
3. S.E. 5-31-4-W4th.

Your Ref. T.A. 46.

I beg to acknowledge receipt of your letter of the 13th June last wherein you state that an adjustment is being made of the accounts which are classified as uncollectible in the Municipal District of Golden Centre, and in which you ask for the usual statement evidently with a view to recommendation for an apportionment or adjustment of the seed grain, fodder and relief liens.

It will be noted that this case was forwarded to Mr. Fream under date of the 12th June, 1928, in a statement dated the 29th May, and particulars were given as to the lien in that statement. A recommendation was likewise made by you to Mr. Fream in a report dated the 11th April last, in which your reference is quoted as D-A-10, and his recommendation has been received.

As it would seem that a further adjustment is pending in this case, it is deemed advisable to withhold recommendation to Council until the report of the Board is received as affecting the S.W.¼ 4-31-4-W.4th M.

Please see communication hereunder from the Acting Director of the Debt Adjustment Act dated the 16th ultimo, in which he asks the view-point of the Department as to the equity in placing the sum at $150.00 for a release of Mr. Affleck's personal covenant in connection with his second homestead, S.W.¼ 30-76-?-W.6th M.

Taking cognizance of the Homestead Inspector's report of the 12th ultimo, on file, it would appear that the debtor, A.T. Affleck does not refuse to make a payment of $150.00 on account if given a reasonable time to remit.

Taking into consideration the proportions of the account which amount to $1616.93 as of the 31st March last, the figure placed by Mr. Loree as the amount to be paid in respect of the S.W.¼ 30-76-6-W.6th M., which is valued at $7.00 or $8.00 per acre, is, I think, very generous, and I would suggest that he be so advised.

I beg to acknowledge receipt of your letter of the 16th ultimo and would advise you that the amount of $150.00 which you considered as an equitable amount for the release of the S.W.¼ 30-76-6-6th M. seems very reasonable. The Department would therefore be pleased to have the Board's recommendation to release Mr. Affleck from his personal covenant on payment of the $150.00, and it would seem desirable that the debtor be granted time within which to remit out of his new farming venture.

April 14th, 1926.

E.J. Fream, Esq.,
Chairman, Seed Grain and Relief Adjustment Board,
EDMONTON, ALBERTA.

Dear Sir:

Re: A.T. Affleck,
Dominion Liens,
Mrs. A.T. Affleck,
N.W. Pollen Centre 272,
Seed Grain.
D.A.4-31-4-4.

A.T. Affleck obtained Seed Grain and Fodder advances from the Dominion Government as follow:-

1915 Seed Grain	$534.15
1915 Fodder	340.50
1919 Seed Grain	450.00

The made repayments in a total sum of $439.68, in the years 1915 and 1922, which entirely liquidated the Fodder indebtedness, and the account appeared, as at March 31st, 1924, as:-

	Prin.	Int.	Total.
1915 Seed Grain	$534.15	239.43	773.58
1919 Seed Grain	450.00	285.14	735.14
			$1558.72

The only security for the 1919 advance consisted of a Lien held against the S.W.5-39-4-4, which was the debtor's unpatented purchased homestead, since abandoned. This land also afforded security for the 1915 advances. Board Order 2611 recommended the acceptance of the sum of $100.00 in consideration for the discharge of all Liens held against this land, and the Liens have now been discharged. Board Order 2614 recommended the release of the debtor's personal covenant, and I, therefore recommend that the unpaid balance of the 1919 Seed Grain account be written off as uncollectible.

The 1915 Seed Grain issue was secured by

E.J. Fream, Esq.

Liens registered against [illegible] quarter sections -- S.W.3-71-4-4 - S. .3-30-4-4 - S.E.3-71-4-4 - S.W.4-71-4-4, etc. For the purpose of serving the requirements of this re[illegible]tion, I am apportioning the 1915 Seed Grain indebtedness, as it would appear on March 31st, 1930, equally among the [illegible] quarter sections involved. The account would appear as:-

Principal	$534.15
Interest	341.85
	$877.00

and the sum apportioned to each quarter section is $219.25.

The Municipal District of Bolien [illegible]tre $272 obtained Title to the S.W.4-71-4-4 W. Tax Recovery Act proceedings, and have now sold the land for the sum of $900.00, on the terms of $200.00 Cash, and the balance on the one third crop payment plan, with interest at 6% from January 1st, 1931. This sale price is an exceptionally high one and in fact is more than the land is worth, sit ated, as it is, in a semi-arid district, and being without improvements.

This property was, in 1917, transferred by the debtor to his wife, Mrs. E.M. Affleck, who received a Seed Grain advance from the Municipal District on the security of this land, the account of which is as follows:-

Seed Grain.

Apr. 3,1919	$300.00	7340 S.Y. S.W.4-71-4-4.	
Paid on acct. Sept. 1,1921.		$300.00	
Balance Mar.31,1930.	Principal		[illegible].19
	Interest		30.45
			$81.14.

The Municipal District have Tax Arrears charged against the land in the sum of $[illegible]2.56.

After deducting the costs of acquisition, sale ($10.00), the sum of $[illegible]90.05 will be required to be apportioned among the following claims:

Dom. Gov't. Claim	
Municipal District Seed Grain.	$219.25
" " Taxes	81.14
	612.81
	$902.95

which will result in the following apportionment:-

Dom. Gov't Claim	
Municipal District Seed Grain.	$[illegible]2.03
" " Taxes	75.00
	[illegible]
	$890.00

J.J. Frain, Esq.,

Upon receipt of the amounts apportioned to the Dominion Claim and the Municipal District Seed Grain Claim, and after the application of these sums to their designated accounts, I recommend that all Dominion and Municipal Liens against the S.W.4-31-4-4 be withdrawn.

Since this land represents the only remaining land security for the Dominion advances made to J.T. Affleck, and as he has been discharged from further liability under his personal covenant, I would further recommend that the remaining unpaid balance of the J.T. Affleck account with the Dominion Government be written off as uncollectible.

With further regard to the Mrs. J.T. Affleck Seed Grain account with the Municipal District of Bollen Centre #72 it may be well to state here that this lady also received an advance of Seed Grain on the security of the N.E.28-31-4-4, title to which appeared in her name at the time of issue. The Lien security for this advance was registered subsequent to a mortgage to one, Wm. J. Holmes, who foreclosed and obtained Vesting Order which eliminated the Lien security. The Home Bank of Canada received clear Title to the land by transfer from Holmes and Title still vests in their name.

There is no probability that Mrs. Affleck will ever be in a position to pay any part of this indebtedness, the amount of which appears hereunder:-

Seed Grain.		
Feb. 27, 1919	$100.00	
Interest to Mar.31,1930 and balance due Mar.31,1930.	77.66	$177.66

In connection with her Seed Grain indebtedness to the Municipal District, I would recommend that the $72.00 apportionment of the Sale proceeds be applied to the credit of the Lien against the S.W.4-31-4-4, which will pay the Principal in full and leave a balance of Interest outstanding amounting to $5.14, and I further recommend that this sum, together with the amount outstanding in connection with the N.E.28-31-4-4, be written off as uncollectible, both as it affects Mrs. Affleck's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Provincial Government. The total amount to be written off appears as at March 31,1930 as:-

Principal	$100.00	
Interest	83.80	$183.80

Yours truly,

Re S.W.¼, 4-31-4-W. 4th Mer.,
A. T. Affleck. Dom. Liens.
Mrs. E. M. Affleck, Seed Grain.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the Dominion Liens charged against the S.W.¼, 4-31-4-W. 4th Mer., for advances made to A. T. Affleck, be settled for the sum of $202.63., and that upon payment of this amount, out of the proceeds of the sale of said land that the liens be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated April 14th, 1930, which report gives full details of all liens registered against the said land and states in support of this recommendation:-

1. That by Recommendations No. 811, and 2614, the Board provided for the discharge of the liens charged against other lands and for the discharge of the debtor's personal covenant.

2. That title to the S.W.¼, 4-31-4-W. 4th Mer., passed to the Municipal District of Golden Centre No. 272, under Tax Recovery Proceedings.

3. That the Municipality has now been successful in disposing of the said land for the sum of $900.00, payable upon terms and taking into consideration its location and general description, the price received is an exceptionally high one and it is desirable that the sale be completed.

4. That the claims chargeable against the said land consist of:-

Costs of Sale	$ 10.00
Taxes	662.56
Dominion Liens	219.25
Prov. Liens	81.14
Total	$972.95

5517218

5. That in making this estimate of the claims chargeable against the said land, the Board has provided for the pro rata distribution of the Dominion Liens against all lands formerly owned by this debtor, and consisting of:-

S.W.¼, 3-31-4-W. 4th Mer.,

S.E.¼, 5-31-4-W. 4th Mer.,

S.E.¼, 4-31-4-W. 4th Mer.,

S.W.¼, 5-30-4-W. 4th Mer.,

and under such pro rata apportionment the amount chargeable against the quarter section dealt with in this recommendation for Dominion Liens, is the sum of $219.25.

6. That it is desirable that the price to be realized for said land be apportioned to the claims chargeable against same as follows:-

Costs of Sale	$ 10.00
Taxes	612.37
Dom. Liens	202.63
Mun. S. & L.	75.00
Total	$900.00

7. That the first charge upon the price to be paid for said land be the amount apportioned to Dominion Liens.

8. That there is no possibility of making any collection from the debtor under his personal covenant.

The Board therefore recommends that upon payment of the sum of $202.63, out of the proceeds of the sale of said land, that all liens charged against the said land be discharged, and any balances remaining unpaid be written off as uncollectible.

Dear Sir:- Re: A.T.Affleck, S.W.5-31-4-W.4th M.
Dominion Liens.

A.T.Affleck obtained the following advances from the Dominion Government:

1915-Seed Grain	$534.15
1915-Fodder	340.50
1918-Seed Grain	450.00

He has made repayments in a total sum of $439.66, which left outstanding, as at March 31st,1928, a balance of $1550.72. This balance has been further reduced by a payment of $100.00 which you recommended as being acceptable as consideration for the discharge of liens on title to S.W.5-30-4-4th, by Board Order No.311. Board Order No.313 recommended the discharge of the liens in connection with this account from title to the S.W.5-31-4-4th., without consideration.

There still remain, as security for the 1915 advances, liens registered on title to the S.W.4-31-4-4th, now held by the Municipal District of Golden Centre #272, while the 1915 Seed Grain advance is further secured by a Bond registered on title to the N.E.5-31-4-4th, now owned by A.R.Affleck, brother of the debtor. It is in connection with this latter quarter section that an application for adjustment has been made by the owner,A.R.Affleck, who has tendered the sum of $100.00 as consideration for the discharge of the Seed Grain Bond which appears on title to the S.W.5-31-4-4th as;

"Seed Grain Bond $534.15-March 5/15- 5277 R.T.

The applicant purchased the land from A.T.Affleck in 1917 and he states that at no time has there been any breaking done on it, which statement is supported by a homestead inspectors report,which states that there are no improvements on the property and that the land is rocky. It is evident,therefore,that the land received no benefit from the Seed Grain advance charged against it.

This property is situated in a semi-arid part of the Province and the applicant states that he has now spent more in taxes on the place than he could get for it by sale. He is unwilling to pay any more taxes unless he can clear the title by the payment of the sum

T.J.Trosm, Esqe.

Re-swith submitted.

Having consideration for the various factors of the case;that the land did not receive any benefit from the advance; that the land is worth very little; that the applicant is an old settler who is trying to farm under circumstances not of the best; that the advance was also secured by liens against three additional quarter sections; I would recommend that the sum of $130.00 tendered, cheque for which is attached hereto,be accepted as full consideration for the discharge of the Dominion Seed Grain lien herein discussed.

A recommendation in connection with the balance of the A.T.Affleck account will be made when disposal of the remaining security,the S.W.4-31-4-4th, is effected.

Supplementary to Recommendations No. 811 and 313, the Seed Grain and Relief Adjustment Board, hereby recommends that the sum of $100.00, be accepted in full settlement of all liens charged against the S.E.¼, 5-31-4-W. 4th Mer., for advances made to A. T. Affleck, and that with the payment of this amount the liens be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated April 9th, 1930, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That under Recommendation No. 811, provision was made for the discharge of the liens charged against the S.W.¼, 5-31-4-W. 4th Mer., and under Recommendation No. 313, provision was made for the discharge of the liens charged against the S.W.¼, 3-31-4-W. 4th Mer.,

2. That the liens were also charged against the S.W.¼, 4-31-4-W. 4th Mer., and this land is dealt with under a separate Recommendation.

3. That in the year 1917, the debtor sold the S.E.¼, 5-31-4-W. 4th Mer., to A. T. Affleck, and that there is charged against the said land the Seed Grain Bond for the sum of $534.15.

4. That the present registered owner states that at no time has any of this quarter section been under cultivation, and that the land has been used only for grazing purposes, and this statement is supported by the report of the Homestead Inspector, which is to the effect that there are no improvements upon the land and that it is rocky.

5. That the land is situate in an extremely dry District and is suitable only for grazing purposes, and in the event of title thereto passing to the Taxing Authorities under Tax Recovery Proceedings, it will not be possible to realize for the account of the liens, the amount now tendered in settlement thereof.

6. That taking into consideration all the conditions prevailing it is desirable that the proposed settlement be accepted.

7. That there is no possibility of making any collection from the original debtor.

The Board therefore recommends that the sum of $100.00, be accepted in full settlement of all liens charged against the said land, and that with the payment of this amount the liens be discharged, and any balances remaining unpaid be written off as uncollectible.

The applicant purchased the land from A.T.Affleck in 1917 and he states that at no time has there been any breaking done on it, which statement is supported by a homestead inspectors report,which states that there are no improvements on the property and that the land is rocky. It is evident,therefore,that the land received no benefit from the Seed Grain advance charged against it.

This property is situated in a semi-arid part of the Province and the applicant states that he has now spent more in taxes on the place than he could get for it by sale. He is unwilling to pay any more taxes unless he can clear the title by the payment of the sum

herewith submitted.

Having consideration for the various factors of the case;that the land did not receive any benefit from the advance; that the land is worth very little; that the applicant is an old settler who is trying to farm under circumstances not of the best; that the advance was also secured by liens against three additional quarter sections; I would recommend that the sum of $100.00 tendered, cheque for which is attached hereto,be accepted as full consideration for the discharge of the Dominion Seed Grain lien herein discussed.

A recommendation in connection with the balance of the A.T.Affleck account will be made when disposal of the remaining security,the S.W.4-31-4-4th, is effected.

Yours truly,

DIRECTOR.
